Birmingham - service 144

Birmingham is the ideal destination for everyone. It offers a range of activities, catering for the needs of all visitors. It has excellent shopping facilities, not least the £500million Bullring development. The world's finest collection of Pre-Raphaelite Art can be found in Birmingham Museum and Art Gallery. Birmingham is 'Britain's canal city' - with over 32 miles of canals to explore.

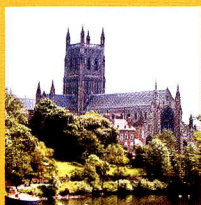

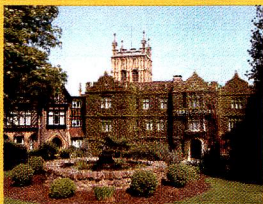

Within easy walking distance there is a huge range of attractions to visit too including the National Sea Life Centre.

Droitwich Spa - service 144

The town centre has many medieval churches and half-timbered buildings such as the Raven Hotel in St. Andrews Street which was built during the reign of Elizabeth I. The Heritage Centre in Victoria Square houses a museum which includes items from the Roman past, the history of salt and of more recent times its connection with radio broadcasting.

Great Malvern - service 44 44A

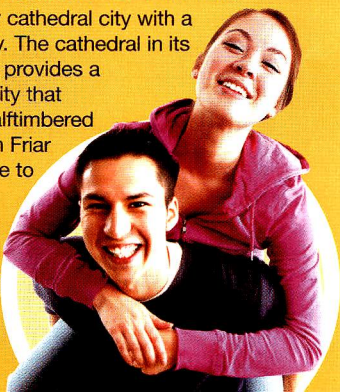

Situated on the eastern slopes of the scenic Malvern Hills the town has become a health (mineral springs) and holiday resort. The priory church of Great Malvern dating from 1085 is a cathedral-sized wonder of English medieval architecture. Malvern's other medieval jewel is the Abbey Gateway, the home to Malvern's Museum.

Worcester - service 44 44A 144

An 11th-century cathedral city with a wealth of history. The cathedral in its riverside setting provides a backdrop to a city that contrasts the halftimbered 'Tudor House' in Friar Street. It is home to

world famous Royal Worcester Spode and the Dyson Perrins Museum of fine porcelain. Journey down the river on one of the pleasure cruisers or visit one of the many cafes and bistros for an excellent lunch.
