Tickets

Please remember to allow sufficient time to buy your ticket at staffed stations before boarding the train. We offer a range of tickets to meet your travel needs. Broadly it is more expensive to travel at peak times during the week, and cheaper if you can travel at off-peak times, at weekends, or can book in advance (for longer journeys). The following types of tickets are available from your local staffed station, by telephone on 0870 609 6060 or online at www.centraltrains.co.uk.

Standard Tickets

These tickets are the most flexible and therefore most expensive. They can be bought on the day of travel and can be used on any train, at any time. *Standard Single* tickets and *Standard Day Return* or *Standard Open Returns* are available for most journeys.

Discounted Tickets

These tickets are cheaper as they can only be used after the morning peak (Mon-Fri) or anytime at the weekends. They can be bought on the day of travel. *Cheap Day Single/Return* tickets are available for many shorter journeys (under 50 miles). For longer journeys *Saver Single/Return* tickets are available.

Advance Purchase

On longer distance Central Trains routes, our Central Value range of discounted, advance purchase tickets may be available in limited numbers on most trains. The further you can book in advance, the cheaper the ticket (subject to availability). For details ask at your local staffed station or visit www.centraltrains.co.uk.

Season Tickets

Big savings are available for regular travellers with our range of season tickets. These tickets give unlimited number of journeys between any 2 stations in this guide for periods of 1 week, 1 month, or any longer period up to 12 months. Ask at your local staffed station for details.

Groups

Big discounts are available for small groups of 3 or 4, or for larger groups of 10+. Groupsave allows 3-4 adults to travel together for the price of 2, with up to 4 accompanying children travelling for just £1 each. Ask at your local staffed station for details. For groups of 10+ savings of up to 36% are available. Call us on 0870 609 60 60 for details.

Welcome to First Great Western Link

Welcome to your new train operator, First Great Western Link. We have some exciting plans to transform rail travel in the following weeks and months.

Firstly, we want to make sure that we get the basics right. We are committed to improving punctuality. With extra cleaning on our trains and stations, we will provide a brighter environment for your journey. Staff training and development will allow us to give you the help and information you need to make your journey run smoothly.

In December we will produce a completely new timetable with our partner, First Great Western. It will mean that there will be up to 20% more seats during busy times in the Thames Valley. It will mean extra 125 miles-an-hour trains, shorter journeys on many routes and better catering for the Kennet Valley and the Cotswolds. It will mean a new service from London Paddington to Heathrow, calling at local stations on route. And because the timetable has been designed with performance in mind, we are confident it will mean better punctuality for all our customers.

Thank you for choosing to travel with us. We would like to hear your thoughts on the new service, on what we are doing well, and what we could do better. Our contact details are on page 6.

Useful information

Customers with special needs

We welcome customers with mobility problems or other special needs, and have a Disabled People's Protection Policy which gives details of the services you can expect when travelling with us. You can get a summary of the policy by writing to Customer Relations (see page 6).

If you would benefit from a little extra help when using our services, you can arrange this in advance. Please call us on **0845 330 3728**, at least 24 hours before you plan to travel, to discuss your needs. People who are hard of hearing should call **0845 60 50 600**.

Bicycles

Generally, bicycles are allowed on our trains free of charge if there is room for them. However, on Mondays to Fridays, bicycles may not be carried on trains between Reading and London Paddington that are advertised to arrive at Paddington between 0745 and 0945 or to leave Paddington between 1630 and 1830, even for journeys that do not start or end at Paddington.

Please store your bicycle in a sensible way that does not inconvenience other passengers.

Bus links

We have got together with local bus companies to set up convenient bus links to many destinations from stations served by First Great Western Link. To make onward travel even easier, you can buy great-value combined train and bus tickets to cover your whole journey. Just ask for a Bus Link add-on when you buy your train ticket.

PlusBus

PlusBus gives you unlimited travel on most buses at either or both ends of your rail journey. You can buy it as an add-on to any rail journey that starts or finishes at stations that take part in the scheme, and gives you access to most of the bus network in that area for the whole day.

Details of all these transport links and zones are shown in our regional Transport Links Guides. You can pick up a copy from staffed stations.

For up-to-date information on bus times and fares, call **Traveline** on **0870 608 2 608**.

Area bus zones

Other towns such as Oxford, have an area bus zone where you can add an extra amount to your train fare for a day's unlimited travel, or a single or return journey on the bus services of the operators within the zone. Season tickets may also be available.

Useful information

Buy before you travel

You should always buy your travel ticket before you start your journey, as long as there is a staffed ticket office or a self-service ticket machine. If these facilities are available and you travel without a ticket, you will not be able to buy reduced-rate tickets on the train or at your destination.

If your journey starts at a station where there is no ticket facility available, it will be your responsibility to pay your fare to the conductor on the train who will be able to issue the normal range of tickets.

In the interest of all customers, we aim to reduce the number of people who do not pay their fares on purpose and ticket checks will take place at stations from time to time. You may be delayed leaving the station if you do not have a ticket.

Penalty fares

If you join one of our trains between Twyford and Paddington, Bourne End and Maidenhead, Slough and Windsor & Eton Central, or at Greenford or Castle Bar Park, and do not have a valid ticket, you may have to pay a penalty fare of £10 or twice the single fare to the next station if this is greater.

There is more information in our leaflet about penalty fares, which you can get from staffed stations.
