

Train Times

10 December 2006 to 19 May 2007

Birmingham to

Worcester, Great Malvern & Hereford

Gloucester

Welcome to Central Trains

I am pleased to introduce this timetable that operates from 10 December 2006 until 19 May 2007.

This timetable is designed to build upon our current improvement in operational performance and has, in part, been shaped by the comments and suggestions of our passengers. I am pleased that we have been able to respond to this feedback in a positive way.

The 16.00 Nottingham - Cardiff and 17.30 Birmingham - Cardiff services will be lengthened from two to three carriages, providing more capacity for Bromsgrove commuters. More 'off peak' services between Birmingham and Stourbridge Junction will be extended to provide four trains an hour at Kidderminster for most of the day.

At Central Trains we are committed to making it as easy as possible for you to buy your tickets, we are also committed to reducing the number of people who travel without a ticket on our services. Therefore if there is a ticket office available at the station where you board your train, you must buy a ticket before you travel. If you board at an unstaffed station then you should purchase your ticket from the conductor at the earliest opportunity.

In January our fares will be revised, even so, we will continue to offer an attractive range of tickets including very cheap off-peak and advanced purchase tickets. With railcards, season tickets and group discounts there's a ticket for everyone and you can be sure that travelling with Central Trains is always good value for money.

Further information about the new timetable as well as information about fares and special offers is available online at www.centraltrains.co.uk

Thank you for travelling with us.

Tickets

Please remember to allow sufficient time to buy your ticket at staffed stations before boarding the train. We offer a range of tickets to meet your travel needs. Broadly it is more expensive to travel at peak times during the week, and cheaper if you can travel at off-peak times, at weekends, or can book in advance (for longer journeys). The following types of tickets are available from your local staffed station, online at www.centraltrains.co.uk or by telephoning the Trainline on 08706 09 60 60.

Full-priced Tickets

These tickets are the most flexible and therefore most expensive. They can be bought on the day of travel and can be used on any train, at any time. *Standard single* tickets and *Standard Day return* or *Standard Open returns* are available for most journeys.

Discounted Tickets

These tickets are cheaper as they can only be used after the morning peak (Monday-Friday) or anytime at the weekends. They can be bought on the day of travel. *Cheap Day single/return* tickets are available for many shorter journeys (under 50 miles). For longer journeys *Saver single/return* tickets are available.

Advance Purchase

On longer distance Central Trains routes, our Central Value range of discounted, advance purchase tickets may be available in limited numbers on less busy trains. The further you can book in advance, the cheaper the ticket (subject to availability). For details ask at your local staffed station or visit www.centraltrains.co.uk

Season Tickets

Big savings are available for regular travellers with our range of season tickets. These tickets give unlimited number of journeys between any 2 stations in this guide for periods of 1 week, 1 month, or any longer period up to 12 months. Ask at your local staffed station for details.

Groups

Big discounts are available for small groups of 3 or 4, or for larger groups of 10+. Groupsave allows 3-4 adults to travel together for the price of 2, with up to 4 accompanying children travelling for just £1 each. Ask at your local staffed station for details. For groups of 10+ savings of up to 26% are available on less busy services. Call us on 0870 609 60 60 for details.

SX Saturdays excepted (train runs on Mondays to Fridays only)
SO Saturdays only (train does not run on Mondays to Fridays)

Explanations for other notes will appear on the relevant pages.

Network map

A map of the entire West Midlands Rail Network folds out from the back cover of the timetable.

Network West Midlands is.....

the new name that connects all public transport in the West Midlands metropolitan area (Birmingham, Dudley, Sandwell, Coventry, Walsall, Solihull and Wolverhampton).

It will clearly identify the complete network of bus, rail and Metro services that are easily accessible to most people in the West Midlands.

Over the next 14 months, you'll see the Network West Midlands logo and signs appearing at all bus stops, rail stations, bus stations and Metro stops. Wherever you see it, you'll find better information to make using buses, trains and Metro easier than ever before.

You'll find improved timetable information at bus stops and improved maps and journey information at all places where services meet, helping you switch from bus to bus, bus to train, train to Metro or bus to Metro with more confidence.

We'll also be introducing a clearly branded Network West Midlands range of tickets which can be used on buses, train and Metro. This will replace the current range of Centrocarril, Busmaster and Railmaster tickets. **n**train replaces Railmaster, **n**network replaces Centrocarril, **n**bus replaces Busmaster and **n**network dayripper replaces Dayripper.

The aim is to work towards creating a smoother, safer, more efficient and user-friendly system.

Engineering

As part of Network Rail's continuing programme of maintenance and network investment, engineering work needs to be carried out. Outline details of major schemes that affect services in this guide are printed on each timetable page where relevant. For details of all engineering schemes that may affect your journey, particularly at weekends:

- Call 08457 48 49 50* or visit www.nationalrail.co.uk
- Visit www.centraltrains.co.uk and select "Service Alterations" from the home page menu.
- Enquire at your local station where you'll also find posters displaying a monthly summary of engineering work information.

* Calls to this number may be recorded.

Seconds Count!

To help us run a punctual train service, please ensure that you get to the platform on time. The doors on trains will be closed 30 seconds before the scheduled departure time to ensure that it can leave on time. Please allow enough time to buy your ticket when you arrive at the station. You can avoid possible queues in the mornings by purchasing your ticket at other times.

A full range of daily and season tickets are available on general sale.

In addition Centro operates a Direct Debit payment scheme for customers regularly purchasing  network and  train season tickets. For more details and a Direct Debit application pack, please telephone 0121 214 7088/7092.
