20 May to 8 December 2007

## Birmingham to

Worcester, Great Malvern & Hereford

Gloucester

## Welcome to Central Trains.

I am pleased to introduce this timetable showing our services operating between Birmingham and Hereford from 20 May until 8 December 2007.

This timetable is designed to build upon our current improvement in operational performance and has, in part, been shaped by the comments and suggestions of our passengers.

At Central Trains we are committed to making it as easy as possible for you to buy your tickets, we are also committed to reducing the number of people who travel without a ticket on our services. Therefore if there is a ticket office available at the station where you board your train, you must buy a ticket before you travel. If you board at an unstaffed station then you should purchase your ticket from the conductor at the earliest opportunity.

We continue to offer an attractive range of tickets including very cheap off-peak and advanced purchase tickets. With railcards, season tickets and group discounts there's a ticket for everyone and you can be sure that travelling with Central Trains is always good value for money.

Further information about the new timetable as well as information about fares and special offers is available online at [www.centraltrains.co.uk](http://www.centraltrains.co.uk)

Thank you for travelling with us.

## Tickets

Please remember to allow sufficient time to buy your ticket at staffed stations before boarding the train. We offer a range of tickets to meet your travel needs. Broadly it is more expensive to travel at peak times during the week, and cheaper if you can travel at off-peak times, at weekends, or can book in advance (for longer journeys). The following types of tickets are available from your local staffed station, online at [www.centraltrains.co.uk](http://www.centraltrains.co.uk) or by telephoning the Trainline on 08706 09 60 60.

### Full-priced Tickets

These tickets are the most flexible and therefore most expensive. They can be bought on the day of travel and can be used on any train, at any time. *Standard single* tickets and *Standard Day return* or *Standard Open returns* are available for most journeys.

### Discounted Tickets

These tickets are cheaper as they can only be used after the morning peak (Monday-Friday) or anytime at the weekends. They can be bought on the day of travel. *Cheap Day single/return* tickets are available for many shorter journeys (under 50 miles). For longer journeys *Saver single/return* tickets are available.

### Advance Purchase

On longer distance Central Trains routes, our Central Value range of discounted, advance purchase tickets may be available in limited numbers on less busy trains. The further you can book in advance, the cheaper the ticket (subject to availability). For details ask at your local staffed station or visit [www.centraltrains.co.uk](http://www.centraltrains.co.uk)

### Season Tickets

Big savings are available for regular travellers with our range of season tickets. These tickets give unlimited number of journeys between any 2 stations in this guide for periods of 1 week, 1 month, or any longer period up to 12 months. Ask at your local staffed station for details.

### Groups

Big discounts are available for small groups of 3 or 4, or for larger groups of 10+. Groupsave allows 3-4 adults to travel together for the price of 2, with up to 4 accompanying children travelling for just £1 each. Ask at your local staffed station for details. For groups of 10+ savings of up to 26% are available on less busy services. Call us on 0870 609 60 60 for details.

## Your new timetable

Welcome to your new timetable showing services that will operate from 20th May - 8th December 2007. The trains shown in this timetable show services on the following lines:

**Worcester to Birmingham via Stourbridge**

**Leamington Spa to Birmingham Snow Hill via Solihull calling at intermediate stations**

**Stratford-upon-Avon to Birmingham Snow Hill**

**Stourbridge Junction to Stourbridge Town**

You should refer to separate timetable booklets for full details of services on the following routes:

**Hereford to Worcester**

**Worcester to Birmingham via Bromsgrove**

**Leamington Spa to Birmingham New Street via Coventry**

**Leamington Spa to London Marylebone**

**Leamington Spa to Stratford-upon-Avon**

Also included in this booklet is a summary of connections between Smethwick Galton Bridge and Birmingham New Street.

Local services within the West Midlands are operated by Central Trains Limited on behalf of Centro-WMPTA. The operating company for each train is indicated by the two character code at the head of each train column.

Operators within this timetable are as follows:

**CT** Central Trains Limited

**CH** Chiltern Railways

**VT** Virgin Trains

## How to use this timetable

The 24 hour clock is used throughout this timetable.

## Notes used in this timetable

Always check the column heading for any notes which affect a particular train. Notes used throughout the timetable include:

**SX** Saturdays excepted (train runs on Mondays to Fridays only)

**SO** Saturdays only (train does not run on Mondays to Fridays)

**a** Arrival time

**d** Departure time

Explanations for other notes will appear on the relevant pages.

## Network map

A map of the entire West Midlands Rail Network folds out from the back cover of the timetable.

## Leaf Fall

During the autumn months leaves can fall onto the railway lines causing wheels to skid and slip, damaging the line and causing delays. Drivers are trained to deal with leaves on the line, including starting and slowing down more gradually, but inevitably this means that services can take slightly longer. This timetable takes leaf fall into account so you can plan your journey more reliably.

## Tickets

At stations with staffed ticket offices you should purchase your ticket before you travel.

A full range of daily and season tickets are available on general sale.

In addition Centro-WMPTA operates a Direct Debit payment scheme for customers regularly purchasing **n**network and **n**train season tickets. For more details and a Direct Debit application pack, please telephone 0121 214 7088/7092.

National Rail Conditions of Carriage, Centro-WMPTA and Central Trains publish a Passenger's Charter setting out our commitment to provide a high quality service to customers.

It highlights the standards that we aim to achieve. These are:

- A safe, punctual and reliable train service
- Clean stations and trains

- Clear and up-to-date information
- A fair and satisfactory response should things go wrong

Compensation is paid when services do not run to the targets set within the Charter.
