

train times

23 May - 11 December 2010

what's new from May 2010?

The existing timetable continues to work well, so we are leaving it virtually unchanged from May. However, if you have any suggestions for improvements, you can always email comments@londonmidland.com or come and see us at our regular 'Meet the Manager' events.

what's in this timetable?

This booklet shows all trains between Birmingham and Worcester / Hereford (from either Birmingham Snow Hill or Birmingham New Street), and all trains between Worcester and Great Malvern / Hereford. For full details of trains between Worcester and Kidderminster/Stourbridge, pick up booklet 8.

live travel info and free travel alerts

Visit www.londonmidland.com for live train running information, station arrival and departure boards, and to download our latest timetables. You can also register for free travel alerts at www.londonmidland.com/disruption.

create your own timetable

Why not create and download a timetable for your own personal journey at www.londonmidland.com? It's quick and easy to do and even includes short-notice alterations.

engineering works

Maintenance work on the track and signals normally takes place overnight and at weekends. Planned timetable alterations can be found on our website and on station posters at least two weeks in advance, but it's worth double-checking before travelling.

bank holidays

We will be running amended timetables on Monday 31 May and Monday 30 August. Details will be available on our website and on posters at stations.

getting assistance at the station

Call us on **0800 092 4260** if you need some help getting on or off the trains and we'll make the necessary arrangements. Please give at least 24 hours notice if possible.

bringing your bike

Bikes are welcome on board our trains, but please be extra careful when it's busy. On weekdays, only folding bikes are allowed on trains arriving at London Euston between 0700–1000, and departing between 1600–1900. Unfortunately we cannot carry three-wheelers and tandems at any time.

Each timetable lists departure times from the stations that make up that route. This sample timetable shows you what to look for when planning your journey.

To find your train time, simply choose the timetable for the day you plan to travel, find the station you're leaving from, and look along that row for available times.

These are the stations the train calls at in order.

Not all trains stop at every station - if no time is shown against a station then that train won't stop there.

Where there are symbols above a journey please refer to the notes at the bottom of the timetable.

Arrows mean the train doesn't stop at these stations.

These notes explain any symbols used.

what's new from May 2010?

There are a number of improvements in this timetable, including some minor retimings to help increase punctuality and the reintroduction of the twice-hourly service between Stratford and Birmingham in time for the busy summer season. Later this year we will also be extending our Shirley trains to Whitlocks End, following passenger feedback and some major investment in the signalling equipment by Network Rail. If you have any suggestions for further improvements, email us at comments@londonmidland.com or come along to our regular 'Meet the Manager' events.

what's in this timetable?

This booklet shows all trains that serve Birmingham Snow Hill from Worcester, Kidderminster, Stourbridge, Dorridge, Shirley and Stratford-upon-Avon. For faster trains between Hereford, Worcester and Birmingham New Street, pick up booklet 9.

Why not create and download a timetable for your own personal journey at www.londonmidland.com? It's quick and easy to do and even includes short-notice alterations.

engineering works

Maintenance work on the track and signals normally takes place overnight and at weekends. Planned timetable alterations can be found on our website and on station posters at least two weeks in advance, but it's worth double-checking before travelling.

bank holidays

We will be running amended timetables on Monday 31 May and Monday 30 August. Details will be available on our website and on posters at stations.

getting assistance at the station

Call us on 0800 092 4260 if you need some help getting on or off the trains and we'll make the necessary arrangements. Please give at least 24 hours notice if possible.

bringing your bike

Bikes are welcome on board our trains, but please be extra careful when it's busy. On weekdays, only folding bikes are allowed on trains arriving at London Euston between 0700-1000, and departing between 1600-1900. Unfortunately we cannot carry three-wheelers and tandems at any time.

Each timetable lists departure times from the stations that make up that route. This sample timetable shows you what to look for when planning your journey.

To find your train time, simply choose the timetable for the day you plan to travel, find the station you're leaving from, and look along that row for available times.

These are the stations the train calls at in order.

Not all trains stop at every station – if no time is shown against a station then that train won't stop there.

Where there are symbols above a journey please refer to the notes at the bottom of the timetable.

Arrows mean the train doesn't stop at these stations.

These notes explain any symbols used.
